PARENT & TOT CLASS A great way for parents to explore the philosophy of Waldorf early childhood education. Our program aids young children in building a secure bridge to their expanding world.

PRESCHOOL Our program provides nourishment for young children's imaginations, physical challenges for their bodies and a loving, beautiful environment for their hearts.

KINDERGARTEN Seattle Waldorf School has three kindergartens, Rosemary and Lavender at the Kinderhaus campus, and Briar Rose at the main campus. For children ages four through six, this two-year, mixed-age program offers a home-like environment that eases the child's transition from home life into school.
