PARENT & TOT CLASS A great way for parents to explore the philosophy of Waldorf early childhood education. Aids young children in building a secure bridge to their expanding world.

THREE-DAY PRESCHOOL For children ages 2½ by September 1. Serves as a transition from Parent & Tot to Preschool over the course of the fall. Class meets three days per week, four hours per day. In the early weeks, parents may stay for a portion of the morning, until their children are comfortably settled. Over time, the children learn to separate from parents with ease and move into their daily rhythm with a sense of security and adventure.

PRESCHOOL Our program provides nourishment for young children’s imaginations, physical challenges for their bodies and a loving, beautiful environment for their hearts.

KINDERGARTEN Seattle Waldorf School has three kindergartens, Rosemary at the Kinderhaus campus, and Briar Rose and Huckleberry at the Meadowbrook campus. For children ages four through six, this two-year, mixed-age program offers a home-like environment that eases the child’s transition from home life into school.
